>>>>..<<<<

Learned counsel for the respondent / NHA files a statement, which is taken on record.

By way of contempt application, the petitioner submits that compliance of order dated 28.01.2025 has not been made to implement safety measures set out in para 8 of said order regarding Mehran Highway. On the other hand, compliance report submitted by DSP, Thari Mirwah and SSP, Khairpur state that Barriers have been installed at the entry points and that entry of heavy vehicles is being checked.

Learned AAG further submits that a Committee has been constituted by the Chief Secretary Sindh to work-out solutions and long term measures for ensuring safety on Mehran Highway. After perusal of the compliance report placed on record, we are of the view that there is substantial progress in implementing measures set-out in order dated 28.01.2025, whereas, implementation of some measures will require time. For the time being, no case for contempt of Court is made out. The contempt application is dismissed without restricting a fresh application if said security measures are not implemented in 90 days.
