1. Urgency application is granted.
- 2to4. Through this Criminal Miscellaneous Application under Section 497(5), Cr.P.C., the applicant/complainant seeks cancellation of pre-arrest bail granted to respondent No.1/accused Muhammad Adnan in FIR No.336 of 2026 by the learned Additional Sessions Judge-VIII, Hyderabad, vide impugned order dated 21.09.2026.

Learned counsel for the applicant contended that the learned Trial Court erred in granting bail, as the date, place and time of issuance of the cheques were matters relating to the evidentiary aspect of the case. He further argued that the accused failed to establish any enmity with the complainant and, after grant of bail, has been pressurizing and harassing the complainant to withdraw the FIR.

I have heard learned counsel for the applicant and perused the available record.

The contention regarding harassment being caused to complainant party has not been supported by any tangible or convincing material. Mere assertions, without supporting material, are insufficient to justify cancellation of bail. It is well-settled that cancellation of bail is not to be ordered merely because another view of the case is possible; interference is warranted where the bail order is shown to be perverse, arbitrary or patently illegal, or where the accused has misused the concession of bail by tampering with evidence, influencing witnesses or absconding. None of such circumstances has been established in the present case. Consequently, no illegality, perversity or jurisdictional defect is found in the impugned order warranting interference by this Court. The instant Criminal Miscellaneous Application, being devoid of merit, is dismissed *in limine* along with the listed application.

The observations made hereinabove are tentative in nature and shall not prejudice either party at trial.
