

ORDER SHEET
THE HIGH COURT OF SINDH, CIRCUIT COURT HYDERABAD
CrI. Misc: Application No.S-561 of 2026

DATE	ORDER WITH SIGNATURE OF JUDGE(S)
	1. For orders on office objection (s) 2. For orders on M.A No.7416/2026 (Exemption) 3. For hearing of main case

28.10.2026

None present on behalf of the applicant and no intimation has been received. The same was the position on the last date of hearing. The record shows that since the presentation of application no one has since appeared to pursue it. I have, however, gone through the impugned order dated 14.05.2026 of the learned VIII-Additional Sessions Judge/Ex-Officio Justice of Peace, Hyderabad.

The applicant and the respondent No.6 each sought registration of an FIR against the other over one and the same occurrence, a scuffle arising from a dispute about a residential plot. The learned Justice of Peace disposed of both applications by a single order, directing the SHO to obtain the final medical certificates of the injured on both sides, to record under Section 154 Cr.P.C the statement of the party whose certificate disclosed a cognizable offence and to record the version of the other side under Section 161 Cr.P.C in the same case, there being no room for a second FIR of the same occurrence. The applicant's own final medical certificate, placed by him on record, shows two shajjah-i-khafifah and one other hurt, injuries which are non-cognizable, while the FIR has since been registered on the opposite version. His version therefore stands to be recorded under Section 161 Cr.P.C, which is exactly what the order provides for.

The order is thus in accord with the law laid down by the Supreme Court in **Sughran Bibi's** case, decides nothing against the applicant on merits and leaves his version to be examined in the investigation. Nothing in it calls for interference under Section 561-A Cr.P.C.

For the forgoing reasons, the application is accordingly **dismissed** in **limine**, along with the listed application.
