MUHAMMAD IQBAL KALHORO J: It is alleged that applicant alongwith two other accused named in the FIR were arrested by CTD Karachi from inside Noorani Qabrustan, Chakra Goth, Korangi Karachi and from each one of them, explosive substance and other material such as detonators etc. were recovered. From applicant, it is specifically alleged that 1.5 KG explosive substance, a detonator and 10 feet Prima Cord orange colour were recovered besides personal belongings, hence they all were booked in FIR bearing Cr. No.14/2026 U/s 4,5 Explosive Substance Act r/w section 7 ATA of P.S. CTD Karachi.

2. Learned counsel for applicant has pleaded for bail on the grounds that applicant is of tender age hardly of 18/19 years, is a student of first year; was in fact detained before registration of FIR regarding which an application was filed at P.S. Gadani, Balochistan. There is CDR record showing communication between applicant and his relatives detailing his illegal detention; he has been falsely implicated; there is no record showing his criminal history; the case has been challaned hence he is no more required for further investigation.

3. On the other hand, learned Addl. P.G has opposed bail. However, we consider that the applicant is entitled to bail on various grounds including the fact that before registration of FIR *prima facie* there is an application on record received by P.S. Gadani showing that atleast 10 days before, he was detained and such information was communicated by his relatives to the police. More so, we have seen that alleged explosive was recovered on 16.02.2026 but *prima facie* it was sent to lab. after 17 days on 03.03.2026, the effect of which is yet to be determined by the trial court. Althoguh learned

Addl. P.G. and I.O. have submitted that meanwhile the explosive was kept in Malkhana but on asking they have not been able to produce the entry when it was taken out of Maalkhana and submitted for examination. Further, the case has been challaned and from education certificates available in the file, it appears that prima facie, the applicant is a student of first year, relatively a young person, hence we allow this application and grant bail to the applicant subject to his furnishing a solvent surety in the sum of Rs.100,000/- and P.R bond in the like amount to the satisfaction of the trial court.

The observations made hereinabove are tentative in nature and would not prejudice case of either party at trial.

The Cr. Bail Application is disposed of.
