1. Granted.

2-5. The Petition has been preferred by the Pakistan Netball Federation, impugning the Order dated 26.12.2025 made by the Pakistan Sports Board on the subject of non-submission of adjustment of accounts against grants released during the financial year 2022-2023 and 2023-2024, so as to impose a ban on certain officials of the Federation. It is stated that such ban has already been contested through different Petitions by the concerned officials, and it transpires that only direction as regard the Federation itself is that for submissions of certain financial records, failing which punitive measures are contemplated. On query posed, learned counsel submits that a response has been tendered by the Federation, providing the relevant information, whereafter no further communication has been received from the Board. Under the circumstances, the Petition appears to be premature and stands dismissed accordingly.
