Mr. Ali Safdar Depar, Assistant Advocate General, Sindh.
Mr. Masroor Ahmed, Advocate for Respondent / KW&SB.

_____

RIAZAT ALI SAHAR, J. This is an old matter pertaining to the year 2019. Today, neither the Petitioners nor their counsel are in attendance. A perusal of the case diary and the contents of the instant Petition reflect that the Petitioners, being members and residents of Respondent No.3 Society, have approached this Court with the grievance of an inadequate and irregular supply of water to their respective houses, despite regularly paying water charges to the Karachi Water & Sewerage Board (KW&SB). It is contended that although water is available in the main supply line, its proper distribution to the houses of the residents is hampered due to mismanagement and lack of supervision on the part of the concerned Respondents. The Petitioners claim to have approached Respondents No.2 & 3 through a written complaint dated 01.07.2019 and a legal notice dated 18.09.2019, requesting installation of water valves on a street-wise basis to ensure proper and timely distribution of water, but their grievance has not been redressed. Accordingly, through the instant Petition, directions are sought against the Respondents for ensuring regular and proper supply of water to the Petitioners and other residents of the Society by making necessary arrangements, including installation of water valves on a street-wise basis.

2. Learned counsel appearing on behalf of the Respondent/KW&SB, submits that the Petitioners may again approach the concerned authorities of KW&SB with their grievance, which shall be duly examined and redressed in accordance with law.

3. Since neither the Petitioners nor their counsel are in attendance; therefore, in view of the submissions made by learned counsel for the Respondent/KW&SB, we dispose of the instant Petition with the observation that the Petitioners shall be at liberty to approach the concerned authorities of KW&SB, who shall examine their grievance regarding the irregular supply and distribution of water and take appropriate remedial measures in accordance with law, after hearing all concerned, within a reasonable period.

4. In the above terms, the instant Petition stands **disposed of** along with the listed/pending application(s), if any. Let this order be transmitted to the Chief Executive Officer/Managing Direct, KW&SB, for information and necessary compliance.
