1. Granted.

2-5. The Petitioners, who claim to be the Owners/Managers of different private air-conditioned bus transport services, have invoked the jurisdiction of this Court under Article 199 of the Constitution, arraying the Province of Sindh, the Provincial Transport Authority, Frontier Works Organization, functionaries of the Sindh Police and certain private persons as Respondents, while alleging that the private Respondents have unlawfully established counters and are demanding massive sums from the Petitioners without possessing any legal status in terms of permission from the concerned departments and it being averred that upon refusal of the Petitioners to comply with those demands, the private Respondents have taken coercive action against the Petitioners so as to tear down their panaflex banners, forcibly remove or attempt to uproot and remove their counters and taken away/detained their staff members so as to later release them after protest was made. The Petitioners elicit declaration that the demands are illegal and that an enquiry be conducted in the matter. Upon consideration, we are of the view that the

appropriate course of action would be for the Petitioners to approach the concerned functionaries of the relevant Law Enforcement Agency so as to set the criminal justice system in motion, and in the event of a failure on the part of those functionaries to act as per law, to approach the concerned Justice of Peace in that regard. The Petition stands dismissed in the above terms, along with the other Miscellaneous Applications.
