Date of hearing & Decision	03.11.2026

O R D E R

ADNAN-UL-KARIM MEMON J:- The petitioners have filed the instant Constitutional Petition under Article 199 of the Constitution, seeking fair and transparent investigation into three FIRs registered under Sections 489-F and 420 PPC at different police stations, and restraint against registration of further FIRs against them and their family members arising out of the same transaction.

2. Learned counsel for the petitioners submits that the parties were business partners under a verbal partnership agreement executed in July 2023 and that, owing to business differences, respondent No.9, in collusion with respondent No.10, has misused blank cheques and lodged multiple false FIRs to convert a purely civil dispute into criminal proceedings. He contends that all FIRs arise out of the same transaction and relies upon 2019 MLD 636 and 2022 MLD 31. He prayed to allow this petition.

3. Learned AAG assisted by respondent No.9 who is present in person submits that the cases have already been challaned before the competent Court, where the petitioners may avail their appropriate legal remedy. He further submits that the question of multiple FIRs arising from the same transaction may be determined by the learned Magistrate in accordance with law. The request seems to be reasonable having justification.

4. Accordingly, the petitioners are at liberty to approach the competent Magistrate through an appropriate application, who shall decide the question of multiple FIRs arising out of the same series of cheques, if any, after hearing all concerned, in accordance with law and the judgments referred to, preferably within three months of receipt of such application.

5. The petition stands disposed of without touching the merits of the case.
