ORDER SHEET

IN THE HIGH COURT OF SINDH, CIRCUIT COURT LARKANA

Constt. Petition No. D- 76 of 2026

Date of hearing	Order with signature of Judge
	1. For orders on office objection-A. 2. For hearing of MA No.309 of 2026.S/A. 3. For hearing of main case.

18.11.2026.

Mr. Shakeel Ahmed G. Ansari, Advocate a/w. Petitioner.
Mr. Liaquat Ali Shar, Addl. Advocate General, a/w. Insp. Ashique Ali on behalf of IGP, Sindh, and PDSP- Ghulam Ahmed Awan on behalf of SSP, Jacobabad.

The compliance report submitted on behalf of the Inspector General of Police, Sindh, Karachi, and the report submitted by the SSP Jacobabad are taken on record. Copies thereof have been supplied to learned counsel for the petitioner.

Perusal of the compliance report reveals that the case of the petitioner was considered by the Sindh Police Recruitment Board (SPRB) at its meeting on 29.10.2026. After due deliberation, the Board recommended that a third opportunity be extended to the petitioner for re-screening for Hepatitis B & C using the ECLIA Method, to be conducted by the designated committee at CPO level from the Aga Khan University Hospital Laboratory, Karachi. The comments further indicate that the earlier re-screening conducted through the PCR Method was found not to be in accordance with the Sindh Police Recruitment Policy, 2022; hence, a fresh screening test using the ECLIA Method has been recommended.

In view of the above position and the recommendation of the Sindh Police Recruitment Board, this petition is disposed of with the direction that the respondents shall extend a third opportunity to the petitioner for re-screening for Hepatitis B & C using the ECLIA method. The petitioner shall appear before the designated committee at CPO, Sindh, Karachi, on 15.12.2026 at 12:00 noon and shall fully cooperate in the screening process. The concerned authorities shall ensure that the test is conducted fairly and transparently and

that the exercise is undertaken strictly in accordance with law and the applicable recruitment policy.

The petition stands disposed of in the above terms.
