O R D E R

ADNAN-UL-KARIM MEMON, J.- The Petitioner (Javed Noonari) has filed this Constitutional Petition seeking an independent inquiry and departmental/criminal action against private Respondents No.11 to 15, alleging their involvement in the sale and distribution of narcotics, liquor, gutka and mainpuri within District Hyderabad, allegedly in collusion with police officials.

2. The Petitioner, appearing in person along with counsel, submits that despite repeated complaints to SSP, Hyderabad, no effective action has been taken against the alleged offenders.

3. Pursuant to notices, SSP, Hyderabad, submitted a report stating that raids and operations against drug peddlers were being conducted throughout the district and that directions had been issued to the concerned SDPOs and SHOs to take action against persons involved in such activities and provide legal protection to the Petitioners. It was further reported that certain criminal cases had already been registered against the private Respondents.

4. Learned counsel for the private Respondents objected to the maintainability of the petition, contending that an earlier petition, C.P. No.D-1047 of 2023, involving similar

grievances, had already been disposed of with directions to the police to maintain vigilance and take action against narcotics dealers. They denied involvement in any illegal activities.

5. In view thereof, DIGP, Hyderabad Range, is directed to supervise the police efforts to eradicate narcotics and ensure that strict action, in accordance with law, is taken against all persons found involved, including the concerned SHOs and private Respondents in case of any complicity.

6. Accordingly, the petition is disposed of along with pending applications, if any.
